AUGUST, SEPTEMBER, OCTOBER 2013 "Something for Everyone"
18th Century "CONDER" TOKENS-----17TH Century tokens—19th Century tokens
Evasions, Unofficial Farthings, Medals, medalets, unusual historical items----
LIST # 73

It seems the best laid plans of mice and men do not always work out. Thus, I regret that I will not be able to be at the ANA meeting later this month. I have a command performance with doctors, instead. It has been ongoing for a couple months now, but I should, they say, be able to go to England in September, so I shall hope for that. Doctors are such spoilsports---but suppose they mean well. Jon Lusk will host the meeting in Rosemont, and I appreciate his efforts once again, more than anyone would know.

The auction season in the UK seems to be not quite what most would want. The Griffiths material is not being sold, at least the main part of the collection. They are selling his duplicates and some other material, along with the Irish section of the Robbie Brown collection. As well, DNW will have material from "Other Properties", a way of saying that it is a bit of this and that, but there could be something good in it. Long ago I decided that I would go to the UK-- even if it was only to attend the Token Congress. I highly recommend this, a wonderful way to meet the British collectors, dealers, auctioneers, and hangers on that comprise the folks attending. The friends you would make there are worth the cost of travel. I have been to 10 in a row, this will be my 11th, and attended a couple before that as well. This year the Congress is in Warwick-- 4, 5, and 6 October. Wonderful little city in the middle of the country, with a fine turreted castle, an interesting High Street, and good company. What else could be asked? If you consider going, contact me right away to make sure of room. The list awaits, I hope you enjoy it. Bill
